

At lunch you will laugh
so hard that drink will
come out your nose

A monkey will steal
your hat at the zoo.

You will soon bring
me a bag of cookies.

Next time you yawn,
a bug will fly in your
mouth.

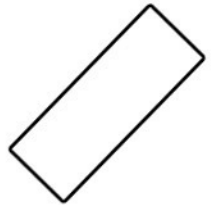

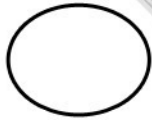

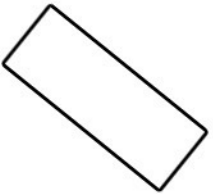

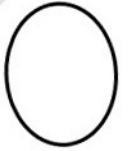

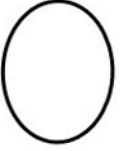

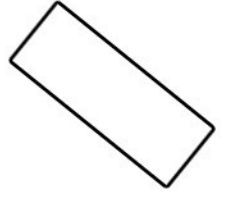

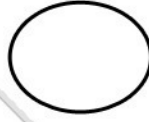

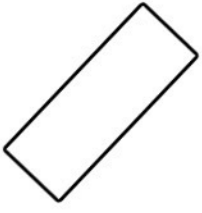

You will spill ketchup
on yourself soon.

A very large woman
will soon give you a hug..

Tonight you will
dream you can fly.

You will find money
in the street.

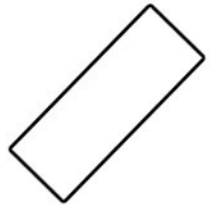

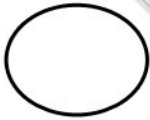

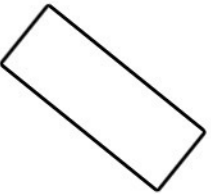

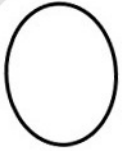

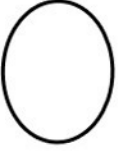

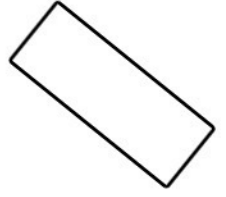

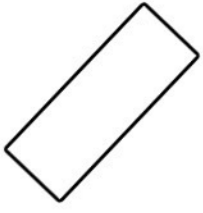

you will have pizza
tonight.

You will fall asleep in
your next class.

Next time you swing,
your shoe will fly off.

Next time you sit
down, a cat will crawl
in your lap.

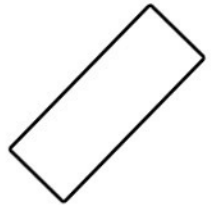

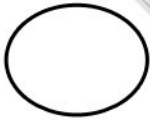

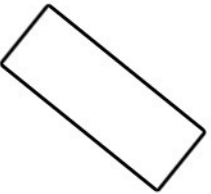

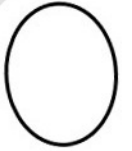

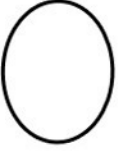

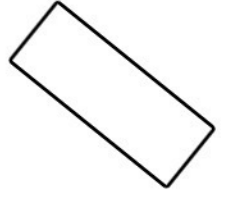

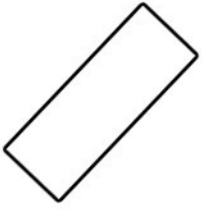

Your zipper will break.

A seagull will grab your sandwich from your hand.

You will break a pencil doing your homework.

In class, a bug will crawl up your leg.

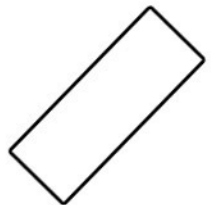

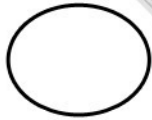

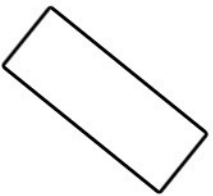

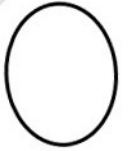

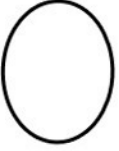

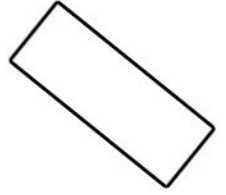

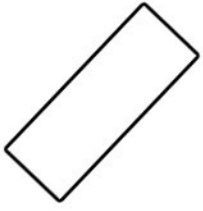

You will get the
hiccups soon.

You will find money
under the couch
cushions.

After lunch, you
will fall out of your
chair.

You will dream
you are falling, and
wake up on the floor.
